Professional Summary

Aspiring B.Tech CSE student at UPES with strong Java, Python, and full-stack development fundamentals, having built impactful AI-powered software projects. Demonstrates effective teamwork, leadership, and problem-solving skills with hands-on internship and community engagement experience.

Education

B.Tech in Computer Science and Engineering, UPES, Dehradun CGPA: 7.55/10	Jul 2023 – Jun 2027
12th, ISC, Maseeh Dilasa School, Uttarkashi Percentage: 73.3%	Mar 2022 – Jul 2023
10th, ICSE, Maseeh Dilasa School, Uttarkashi Percentage: 87.6%	Mar 2020 – Jul 2021

Technical Skills

Programming Languages: C, Java, Python, JavaScript, TypeScript

- Web Technologies: HTML, CSS, React, Vite, Tailwind CSS, Flask
- Database: MySQL, MongoDB
- Others: Git, GitHub, MediaPipe, Google Cloud APIs, MS Office

Internships

- **Himalayan Paryavaran Jadi Buti Agro Sansthan, Uttarkashi** | Duration: 8 Weeks Jun 2024 – Jul 2024
Skills Learnt: Community Engagement, Outreach Strategy, Fundraising, Teamwork
Responsibilities:
 - Facilitated interactions with local communities to raise awareness about disaster management, water conservation, and gender equality, while organizing workshops to empower members in food and nutrition programs.
 - Collaborated with team members to develop outreach strategies and contributed to fundraising efforts supporting projects in energy, wildlife conservation, and sustainable agriculture.
- **Mayatopia Pvt. Limited** | Duration: 8 Weeks Jun 2025 – Aug 2025
Skills Learnt: HTML, CSS, JavaScript, Git/GitHub, Web Deployment, Teamwork
Responsibilities:
 - Developed and deployed a full-stack web application – Virtual Envi – collaborating with the team to design, build, and launch the live site, ensuring responsive design across all devices.
 - Managed version control using Git/GitHub, maintaining clean commit history and collaborative workflow, while contributing to front-end and back-end development throughout the project.

Projects

- **Virtual Envi – Web Application** Jun 2025 – Aug 2025
Tech Stack: HTML, CSS, JavaScript | Team Project
Skills Learnt: Web Development, Deployment, UI/UX Design, Git/GitHub, Teamwork
Description: Developed a fully responsive web application as part of the Mayatopia internship, successfully deployed to production at virtualenvi.netlify.app.
Contribution:
 - Collaborated with team members on UI/UX design, feature implementation, and testing to ensure a polished final product.
 - Utilized Git/GitHub for version control and coordinated code reviews and integration throughout the development lifecycle.
 - Ensured cross-device compatibility and responsive design across all screen sizes.

- **AI-Powered Sports Performance Platform**

Jan 2026 – Apr 2026

Tech Stack: React, TypeScript, Vite, Tailwind CSS, Flask, MongoDB, MediaPipe | Individual Project

Skills Learnt: Full-Stack Development, AI/ML Integration, Pose Estimation, REST APIs, Cloud Deployment

Description: Built a full-stack AI-powered sports analytics platform enabling athletes to record fitness tests (push-ups, sit-ups, pull-ups) via webcam with real-time pose estimation, automated rep counting, and AI-driven form analysis with admin dashboards for performance review.

Contribution:

- Engineered real-time pose estimation using MediaPipe for automated exercise rep counting and form classification, achieving measurable accuracy through a custom ML training pipeline.
- Developed a Flask REST API backend with MongoDB for athlete management, video submission tracking, leaderboard rankings, and Google Drive integration for cloud video storage.
- Designed a responsive React dashboard with role-based access (Athlete/Admin), featuring real-time test recording, performance analytics, AI model training controls, and submission review workflows.

Certifications & Accomplishments

- Competed in Smart India Hackathon 2025 (Internal Round – UPES, Dehradun) on 11th and 12th September 2025, applying innovative thinking and collaborative problem-solving to tackle real-world challenges.
- Led the school sports team as Sports Captain at Masseeh Dilasa School, Uttarkashi, driving team spirit and delivering strong leadership and organisational performance.
- Secured consecutive championships at the Inter-School Sports Meet twice, driving the team to victory through athletic excellence, competitive spirit, and strong leadership.
